

Kerb Set Memorials

Edge profiles

Edge profiles are a way to further personalise a memorial. We are happy to advise you on using these optional kerb profiles

The following pages are dedicated to kerb sets (full lawn type memorials) and have been sensitively designed by our team of artists displaying a wide range of styles and options to individualise and personalise a fitting memorial for a loved one

We have also created a selection of compact memorials that are designed to be placed within the kerb area (p58)
