Child's Drawing Design

For an extra special touch, we are able to translate a child's own drawing into a personal design suitable for use on a vase, desk or memorial

An example of this is shown at the top of the page. (Original drawing shown right. Design shown on Black granite)

This page showcases a selection of designs created specifically for children's memorials, adding a more personal touch. Our artists are able to take your ideas and help turn them into a poignant and lasting tribute
